LOGISTICS MANAGEMENT DIRECTORATE

Logistics Transformation Humanitarian Logistics Conference

February 19, 2009

Eric Smith
Assistant Administrator
Logistics Management Directorate

Plan Manage Sustain

Logistics Management Function, Mission & Focus

- **Function:** FEMA's major program office responsible for **policy, guidance, standards, execution and governance for logistics** support, services and operations
- **Mission:** Effectively **plan, manage** and **sustain** the national logistics response and recovery operations, in support of domestic emergencies and special events – to serve as the National Logistics Coordinator
- **Focus:** Institutionalize Command and Coordination of strategic logistics planning, operations and management while **pushing operational control and execution down to the most effective level of execution**
